It has a nice ring to it

CLASS RING

The tradition of class rings is more than a century old. The wearing of class rings began in 1825 at West Point Military Academy. Nearly 200 years later, that tradition still lives on. Each year, a new class of almost-graduates picks out their rings, customizing them to fit their individual personalities, the rings serve as a tangible memory of school. A tradition that goes along with the class ring is turning the ring. While the rules of turning a ring differ from region to region, the school spirit behind it is the same.

It is customary to wear your ring facing yourself, at first. This signifies your pending graduation. On graduation day, after you switch the tassel on your graduation cap to the other side, you turn your ring around so that it is facing outward. This allows everyone to see that you have graduated.

Class rings are seen as a combination of showing school pride while being an outward symbol of the diploma (but much easier to display). During the wearer's time in school, he or she focuses on self-development and goals specific to the insular academic environment; upon graduation, the wearer enters the wider world and puts what he or she has learned to work in shaping it.

Did you have a Class Ring? Do you still have it or wear it?

STORY ABOUT THE CLASS RING ON THE COVER

Malcolm Moore, Class of 1967, thought he would be graduating from Auburn Rural High School, but that was not to be since the school closed in 1966. Before they knew of the consolidation, his parents Hugh and Bernice Moore allowed him purchase a ring. He was excited but also sad because his brother and sister didn't get a ring. His parents suggested that he should order the ring a little big because he was still growing. Shortly after he received his ring, he lost it while playing basketball in his parent's yard. All efforts were made to find the ring but they were not successful in their search. Ten years later Bernice was raking in the yard and found his ring. It's amazing how good the ring had held up, it was in great condition. You can still see the year quite clearly. Malcolm was thrilled to have the ring back and even though he didn't get to graduate, he is proud to have attended Old Auburn High.

Minutes for the 2016 Auburn Alumni

The Friday night gathering was not held this year, instead two other events were held.

In recognition of the 50th Anniversary of the closing of Auburn Rural High School, two Auburn Events were held. First was an all school reunion and car show. Everyone who had attended an Auburn School at any level was invited to an informal gathering from 3 p.m. – 6 p.m. at the Auburn Community Center to visit with past classmates and check- out classic, antique, and special cars. The theme was the 50's and 60's, some were wearing their poodle skirts or their rolled up jeans and t-shirts.

The second event was the Annual Auburn Rural High School Alumni Banquet. The 99th Alumni Banquet of the Auburn Rural High School was held on May 28, 2016, at the Auburn Community Center in the Ray Nichols Gym.

President Roberta Roberts Flaherty, (Class of 1965) welcomed everyone to the Banquet. The Invocation was given by Dean Robinson (Class of 1960).

The meal was served at 6:00 p.m. to 79 Alumni and 32 guests. The meal was catered by "Sweet Dreams Catering" .

After are meal, President, Bobbie Flaherty, thanked all the people who helped with the banquet, especially those who were chairperson's of committee's: Susan Jenkins Garrett, VP for Pre-Event, Carol Robinson Hornecker, Program Committee, Jim Thomas, Facility Committee, Donna Whitten Wools, Food Committee and Malcolm Moore Car Show Committee.

A copy of the written 2015 minutes, treasurer's report and 2016 correspondences were given to everyone to save time for are program.

The Veterans, to whom we owe our freedom, were acknowledged.

Historian Report was given by Lewis Moore. He told us about the new 2016 DVD. We were also encouraged to keep sending updates and we are still looking for class pictures and yearbooks. He would also like videotapes of alumni telling stories of ARHS.

Carol Robinson Hornecker (Class of 1965) had an interesting program on "Down Memory Lane", we learned a lot about Auburn High School and its teachers.

We had responses from are honor classes.....1936-1946-1956-1966. No one was able to attend from the class of 1936 but Leonard Kelly gave a report on his brother (Lester Kelly) the only living member of that class. Margaret Brobst Layman , Donald Moore and Betty Renyer Vawter were in attendance from the class of 1946. Eight attended from the class of 1956; Joanne Nichols Brown, Lois Smith Compton, Joe Handley, Leonard Kelly, Gary Loveland, Jerald McCarter, Marloyane Moore McCarter and Doryce Brobst Moore. Those attending from the 50 years class were; Connie Manis Eddy, Marian Brown Ercse, Joyce Shane Jenkins, Steven Jenkins, Anna Mae McCarter Lucas, Jim Thomas and Bill Towery.

We then had recognition of all the classes 1917- 1969. 1 from the class of 1935; 2 from the class of 1941; 3 from the class of 1946; 1 from class of 1947; 1 from the class of 1948; 2 from the class of 1949; 1 from the class of 1950; 5 from the class of 1951; 9 from the class of 1953; 4 from the class of 1954; 3 from the class of 1955; 8 from the class of 1956; 7 from the class of 1957; 4 from the class of 1958; 4 from the class of 1960; 4 from the class of 1962; 4 from the class of 1963; 6 from the class of 1965; 7 from the class of 1966; 1 from 1967; 2 from 1968.

Since there is no charge for the use of the Auburn Community Center, a donation was taken to help with their expenses.

President Bobbie read the names of the Alumni's we had lost from May 2015 to May 2016. Those were remembered were; Evelyn Robinson Kramer (Class of 1939), Donald Jack Gleason (Class of 1943), R. CORRESPONDENCES 2017

My Dear Fellow Auburn High School Graduates, celebrating 100 years!

Ah, the memories! We are Blessed with a wonderful legacy.

Thank you for continuing to pass the baton. I regret I am unable to attend this fun celebration. One of my memories of Mr. Nichols, was the day, in my senior year, when he came to my desk to ask if I had considered being a teacher? My immediate response was "no Way!" I was a shortsighted youth!

Fondly to all of you. You will note from my sunflower stationery, you can take the girl out of Kansas but you can't take Kansas out of the girl!

Sherral Sherrets Clark, Class of 1955 and husband Jerry Joe

 Stymie9999@roadrunner.com

Thanks for the information on the 100th Anniversary party. I know you do a lot of work to get one of these get-togethers going. I would like to be there and see some of the old friends that I knew about 100 years ago, but it is just too far to come from California.

Several years ago Duane Renyer sent me a copy of the 1966 "Wildcat" and I have referred to it several times to look up a name or two. I believe the commemorative book will be about the same, so I don't really need the latest edition. However, I am enclosing a check for you to use in purchasing 5 copies of the book. I'm sure you can find a way to select someone who would enjoy having the book.

Joyce and I are still in good health out here in "Sunny" California. I walk 3 miles a day, use our exercise machines to keep in shape, and play a little golf. I like it when it is about 105 degrees, as that keeps most people off the course and I have it all to myself. I also spent a lot of time on my computer, e-mailing to my old fighter-pilot friends around the country.

Enjoy the reunion, and if you ever get out here to Southern CA, look us up. We have room for guest and we guarantee good weather.
 (Class of 1951)

Sure hate to miss the Banquet and seeing everyone, but have company coming here to the lake on the 28th, so there's no way. Have a wonderful banquet. I really miss Pat Fisher. She and I always talked about who all she had seen at the banquet.

Judy (Gifford) McCullough (1963)

Please send me a copy of book. It sounds great! We will not be coming as we will have our grandson for a few days. Linda Schlesener (1962)

Sorry can't make the Alumni Banquet. Would like copy of Alumni Book! Thanks, Bud Sherrets (1956)
